The new Strack and Van Till store grand opening is April 7 and they have about 20 of our historical pictures hanging around the store. Be sure to thank them for honoring our society in this special way. The company that produced the photos also sent us a \$500 donation, we really appreciate the donation.

The society is working on the **2018 Tea Party** and the **summer festival**. We also plan to be in the parade celebrating 50 years for the city of Portage.

We are also working on a **Boy Scout** display and request from members any badges you might have to loan us to fill in the display.

Crisman Elementary students are studying the Potawatomi Indians and several have loaned us their Indian dioramas which will be on display in the museum for about a month.

We need donations of new or like new toys, stuffed animals and books for prizes for the kids games at the festival.

Historical Society News

Miss Eva

We lost a very special lady, **Eva Delmage Udick** passed away on February 10, 2018. She has been unable to come to the museum the last couple of years but before that she was always willing to help at any of our events. She especially enjoyed being Mrs. Claus at our Christmas Open House and she always enjoyed the school tours and telling the children stories of what it was like when she was a school girl. We have many memories of her at the museum.

We have a small tribute display to Eva Delmage Udick and Phyllis Borg has made a very nice display of the **"Class of 1968"** Portage graduates. It's been 50 years since they all graduated. She has the class picture, yearbook and more memorabilia from that class.

Another display is from Marsha Moore and it is a tribute replica to Dale Pugh's "WDLP Radio Room".
